Short Description

With a Yamaha VF90XB Outboard Engine

Description

The 2026 Weldcraft 180 Rebel with a Yamaha VF90XB outboard engine is built for boaters who want dependable performance, practical comfort and the freedom to chase the day wherever it leads, from early-morning fishing runs to relaxed family cruising. With Weldcraft's reputation for tough aluminium construction, the 180 Rebel offers a capable, stable platform that feels ready for changing water and varied conditions, while the Yamaha VF90XB brings responsive acceleration, efficient power delivery and trusted reliability to every outing. Picture launching before sunrise, rods loaded, cool air on the water and a boat that gets on plane smoothly, handles with confidence and keeps the day enjoyable from the first cast to the ride home. Compact enough for easy towing and storage yet roomy enough for gear, passengers and adventure, the 2026 Weldcraft 180 Rebel paired with Yamaha's 90 hp outboard is a smart choice for anglers and recreational boaters seeking a versatile aluminium boat with spirited performance and everyday usability.
