Short Description
With Yamaha F300XA Outboard Engine and Aluminum Bunk Trailer

Description
The 2026 Hurricane SD2400 OB with Yamaha F300XA is built for boaters who want one craft capable of doing a bit of everything, from relaxed family cruising to lively watersports and comfortable entertaining. Pairing Hurricane’s popular SunDeck layout with the smooth, dependable performance of the Yamaha F300XA outboard, this deck boat offers confident acceleration, responsive handling and plenty of space for guests to stretch out. Picture a summer morning spent towing a wakeboarder, an afternoon anchored in a quiet cove, and an evening cruise back to the marina with everyone seated comfortably — the SD2400 OB is designed for exactly that kind of easy, all-day enjoyment. With its wide beam, open cockpit, generous seating and practical storage, the 2026 Hurricane SD2400 OB delivers the versatility of a deck boat with the power and reliability many owners look for in a premium Yamaha outboard package. The aluminum bunk trailer from EZ Loader provides you with an easy towing experience.
