Description
The Evotti 723QL paired with the Yamaha VF250XB delivers a compelling blend of sharp handling, dependable power and practical on-water comfort, making it an appealing choice for boaters who want capability without compromising enjoyment. With the Yamaha V MAX SHO 250 hp outboard at the transom, this package offers responsive acceleration, smooth cruising and the confidence needed for coastal runs, watersports or a full day exploring with family and friends. The 723QL's layout is designed to make time aboard feel easy, with space to move, relax and prepare for whatever the day brings, whether that means casting a line at first light, anchoring in a quiet bay for lunch or enjoying a fast, composed ride back to harbour. For anyone seeking a modern boat and engine combination with strong performance credentials, efficient Yamaha engineering and a versatile design suited to real-world use, the Evotti 723QL with Yamaha VF250XB stands out as a smart, capable and enjoyable choice.
