Dimensions: 20.80ft x 7.80ft x 0.00ft

Price: \$0.00

Short Description

With VF150XB/ T9.9XPB & B4400 Trailer

Description

The 2026 Hewescraft Pro V 180 with Yamaha VF150XB main outboard, Yamaha T9.9 kicker and B4400 trailer is a confident, ready-to-fish package built for anglers who want serious capability in a practical 18-foot aluminium boat. Designed to handle changing conditions with stability and strength, the Pro V 180 is well suited to everything from early-morning trolling sessions to family days exploring favorite waterways. The Yamaha VF150XB delivers responsive, reliable performance when it is time to cover distance, while the Yamaha T9.9 is ideal for controlled trolling and efficient slow-speed maneuvering. Paired with the B4400 trailer, this package is easy to tow, launch and retrieve, making it a smart choice for boaters who want dependable construction, versatile fishing features and the freedom to head out whenever the water calls.
