## Short Description

With Yamaha VF150XB Outboard, T9.9XB Kicker Motor and Trailer

## Description

The 2026 Hewes Pro V 200 with Yamaha VF150XB main outboard, T9.9XB kicker and matching trailer is built for anglers who want a capable, versatile fishing package that feels ready for the next big day on the water. With its proven Pro V design, this aluminium fishing boat offers the confidence to run across open water, settle into productive trolling speeds with the 9.9 hp kicker, and make the most of responsive power from the 150 hp Yamaha V MAX SHO. Whether you are chasing walleye at first light, working structure for bass, or cruising back to the ramp with a full livewell and a few good stories, the Hewes Pro V 200 is designed to balance performance, fishability and comfort. The included trailer adds everyday convenience, making it easier to tow, launch and store your boat, so your next fishing trip can start with less fuss and more excitement.
