Short Description
With a Yamaha VF200XB Outboard Engine and Aluminum Bunk Trailer.

Description
The 2027 Hurricane SD217OB with the Yamaha VF200XB outboard brings together the easy-going comfort of a deck boat with the spirited performance boaters appreciate for busy weekends, coastal cruising and watersports. Designed for families who want one boat to do a bit of everything, the SD217OB offers a welcoming layout for relaxing at anchor, stretching out in the sun or taking guests for a smooth ride across the bay, while the VF200XB delivers responsive acceleration and reliable power when it is time to tow, cruise or make the most of changing conditions. The aluminum bunk trailer makes trailering a breeze. Picture a morning run to a favorite waterfront café, an afternoon spent pulling a tube, and a quiet sunset cruise back to the marina; this Hurricane is built to make each part of the day feel simple, comfortable and memorable.
