Description
The used 2024 Hurricane SD235OB with Yamaha F250XB is a versatile deck boat designed for families, watersports lovers, and anyone who wants a smooth blend of comfort, performance, and space. Powered by the reliable Yamaha F250XB outboard, this model delivers strong acceleration, confident handling, and the power needed for cruising, towing, or simply stretching the day a little longer on the water. The SD235OB layout is known for its open, social design, offering generous seating, easy movement from bow to stern, and practical features that make every trip feel effortless. Picture a sunny afternoon with friends aboard, cool drinks within reach, children enjoying the swim platform, and the Yamaha 250 pushing the boat cleanly across the water towards your favourite anchorage. As a used 2024 model, it offers modern styling and recent-year features while giving buyers an attractive opportunity compared with purchasing new, making it a smart choice for those seeking a capable, comfortable, and fun Hurricane deck boat.
