Description

The **2027 Stingray 191 DC** is a versatile dual-console boat designed for families, first-time buyers and weekend boaters who want comfort, performance and practicality in one easy-to-handle package. With its open layout, supportive seating and sporty handling, the 191 DC is well suited to everything from relaxed lake cruising to towing a tube or anchoring in a quiet cove for lunch. Key highlights include:

• **Dual-console convenience** for better wind protection and a more social cockpit layout.
• **Family-friendly design** with comfortable seating, simple boarding and useful storage for bags, life jackets and water toys.
• **Sporty performance** that makes short trips, watersports and casual cruising feel lively and fun.
• **Practical size** for boaters who want something manageable to trailer, dock and maintain.
• **Everyday versatility**, whether you are planning a morning cruise, an afternoon swim stop or a full day exploring with friends. For anyone searching for a stylish and capable runabout, the 2027 Stingray 191 DC offers a confident blend of comfort, value and on-water enjoyment.
