## Description

The 2027 G3 1860WOF is a tough, practical aluminium fishing boat designed for anglers who value open space, stability and straightforward performance on rivers, lakes and sheltered inshore waters. Built around a wide, work-friendly layout, it is well suited to casting, crabbing, hunting support or simply loading up for a relaxed day on the water. Key points to know include:

- **Open fishing layout:** The wide-open floor plan gives anglers plenty of room to move, cast and organise tackle without feeling cramped.
- **Durable aluminium construction:** G3 boats are known for rugged builds that cope well with regular use, shallow water and varied conditions.
- **Versatile use:** Ideal for fishing trips, utility work, wildlife watching or family outings where simplicity and space matter.
- **Easy to customise:** Owners can typically add seating, electronics, trolling motors, storage solutions and other accessories to suit their style of boating.
- **Smart choice for practical boaters:** The 1860WOF format offers a confident balance of size, usability and manageability, making it appealing for both experienced anglers and those stepping up into a larger aluminium boat.
