Description
The 2027 G3 V150 T is a compact, hard-working aluminium fishing boat built for anglers who value simple handling, dependable performance and smart use of space, whether they are slipping into a quiet creek at first light or spending the afternoon casting along a sheltered shoreline.

• **Angler-friendly design:** The V150 T is ideal for those who want a straightforward tiller-style layout with easy movement around the deck and quick access to gear.
• **Durable aluminium construction:** G3 boats are known for tough, lightweight builds that suit freshwater fishing, family outings and regular weekend use.
• **Compact and manageable:** Its modest size makes towing, launching and storing easier, especially for solo boaters or first-time owners.
• **Great for inland waters:** The 2027 G3 V150 T is well suited to lakes, rivers and calm bays where control, efficiency and fishability matter most.
• **Practical value:** For buyers comparing aluminium fishing boats, this model offers a sensible balance of comfort, utility and trusted G3 craftsmanship, with final specifications and options best confirmed through an authorised dealer.
