HIN: 670966
Dimensions: 18.11ft x 0.00ft x 0.00ft

Price: $0.00

Description

The **2027 Scout 200 Sportfish** is a versatile center console boat designed for boaters who want confident performance, practical fishing features, and comfortable space for relaxed days on the water; whether you are heading out early to chase bass or taking the family for an afternoon cruise, this model is expected to offer the easy handling and premium finish Scout is known for.

• Ideal for anglers who want a manageable, trailer-friendly sportfish boat with smart deck space.
• Suited to coastal cruising, inshore fishing, sandbar stops, and weekend adventures.
• Typically associated with useful fishing touches such as rod storage, livewell options, and a clean center console layout.
• A strong choice for buyers looking for a balance of comfort, durability, and performance in a 20-foot class boat.
