Description
The 2027 Godfrey AP255MTF Triple is designed for boaters who want a confident, comfortable and sociable pontoon experience, with the added stability and performance feel of a triple-tube platform. Ideal for relaxed family cruising, entertaining friends or anchoring up for a sunny afternoon, this model brings together practical deck space, inviting lounge areas and the refined finish Godfrey is known for. Key highlights include:
• Triple-tube construction for improved handling, buoyancy and ride comfort compared with many traditional two-tube pontoons.
• A versatile layout that suits conversation, lounging and easy movement around the deck.
• Comfortable seating designed for long days afloat, whether you are cruising, watching the shoreline drift by or enjoying lunch at anchor.
• A strong choice for buyers seeking a premium pontoon with room for family, guests and gear.
• Well suited to lakes and calm inland waterways where comfort, space and dependable performance matter most. For anyone comparing modern pontoons, the 2027 Godfrey AP255MTF Triple stands out as a polished option that feels ready for both peaceful mornings and lively weekends on the water.
