Description
The 2024 Commere P14 with Yamaha F6SMHA outboard and trailer is a practical, easy-to-handle package for anyone looking to enjoy relaxed days on the water without unnecessary fuss. Compact yet capable, the P14 is well suited to fishing trips, tender duties, exploring sheltered waterways or simply pottering along the coast with confidence. Paired with the dependable Yamaha F6SMHA 6hp four-stroke engine, it offers smooth, efficient performance, simple manual starting and reassuring Yamaha reliability. The included trailer makes launching, recovering and transporting the boat straightforward, whether you are heading to a favourite lake, river or harbour for the weekend. With its manageable size, low running costs and ready-to-go setup, this 2024 Commere P14 package is an excellent choice for boaters who want freedom, flexibility and a bit of fun on the water.
