Description
The used 2024 Bennington 188SVF with T25 is a smart choice for boaters who want easy handling, dependable performance, and the comfort of a quality pontoon in a compact, approachable package. The T25 has 107 hours on it. Designed for relaxed cruising, fishing trips, and unhurried afternoons on the water, the 188SVF offers a practical layout with comfortable seating, open deck space, and Bennington's well-regarded build quality throughout. Paired with the T25 outboard, it is ideal for calm lakes, gentle rivers, and family-friendly adventures where efficiency and simplicity matter just as much as enjoyment. Whether you are casting a line at first light, taking the family for a peaceful evening cruise, or looking for a low-maintenance pontoon that is easy to dock, trailer, and store, this used 2024 Bennington 188SVF with T25 delivers a welcoming boating experience with plenty of everyday appeal.
